- Close to Cocoa

## Accessories

- Stampin' Write Markers – chocolate chip, Sage Shadow, Really Rust
- Punches – Slit, Round Tab , Photo Corner, Horizontal Slot
- Ribbon
- Daubers
- Stampin' Dimensionals

## Instructions

1. Cut creamy caramel to 105mm X 225mm. Score at 75mm and 150mm. Measure 20mm in and down from each corner and score line and snip to create the 'tag look'. Using Daubers and Close to Cocoa sponge around edges.
2. Cut 3 pieces of the outlaw dsp (striped paper) 65mm X 100mm. Measure 20mm in and down of each side at the top and snip to create the 'tag' look. Adhere to your Creamy Caramel 'tags'.
3. Using the Round tab punch and Really Rust punch out 3 tabs and sponge Close to Cocoa around edges with daubers. Adhere to top of tags & use horizontal slot punch to create hole for ribbon.
4. Using your markers colour in the Father's Day stamp from Occasional greetings. Huff and stamp onto Very Vanilla cardstock. Trim stamped image and layer onto Sage Shadow and then Chocolate chip. Adhere to front concertina tag.
5. Using the Photo Corners punch punch out one large corner from Really Rust and one small corner from Chocolate Chip. Using dimensionals attach the smaller corner to the larger really rust corner. Adhere this piece to the top right corner of the Happy Father's Day on front concertina tag.
6. Stamp Baroque Motifs large flower in Creamy Caramel onto Very Vanilla Cardstock. Stamp Define your Life saying in Close to Cocoa at the bottom of your Baroque Motifs flower overlapping a little at the bottom of the flower. Trim stamped image to approximately 53mm X 65mm. Layer onto Sage Shadow then Chocolate Chip. Adhere to last concertina tag.
7. Cut Creamy Caramel to 50mm X 65mm and use Slit punch on corners. Layer onto Chocolate Chip and use Slit punch on corners again. Adhere to centre concertina tag.
8. Thread ribbons through horizontal slots at top of tags and you're done.
